Early Spring 2014

**Parish Council website:** The website is a source of useful local material. If you think there is something that should be on there please contact Janet Mansfield. The website address is:

**Parish Council meetings:** Are held on the first Wednesday of the month in the Allhallows Centre, Fletchertown at 7.30pm. There is always an item on the agenda allowing members of the public to speak.

**Parking:** There have been some recent disagreements about parking. Unfortunately parking is at a premium . There have been some vehicles parked in the Allhallows Centre for a while now, some untaxed. If these are not removed action may be taken. Also if you do park there, please remember that this is the **CENTRE** car park and priority goes to users of the Centre. Please check the notice board for events and if you are not using the Centre on that occasion please remove your vehicle.

**Jubilee Orchard:** The trees have been planted to celebrate the Queen's Diamond Jubilee. A mixture of soft fruit and apples and pears have been selected. Thank you, Margaret for all your work and in organising this.

**Grey Goat Easter Show:** will be held on Easter Sunday

**Blennerhasset and Baggrow Scarecrow Weekend:** Will be held in August

**Handyperson:** Allhallows Parish Council would like to appoint a Handy person for a few hours each month for small "Housekeeping" jobs around the Parish, such as maintaining notice boards, sprucing

up the benches etc. If you are interested please contact the Chairman Margaret Abbott on 016973 20140 or Trevor Gear the Parish Clerk on 016973 21935

**Annual Best Kept Gardens:** The Council is encouraged by this annual event which is now a great success. As usual it will take place in August and there will be four categories:

(1) *Best Kept Garden*

(2) *Best Kept Allotment*

(3) *Best Kept Hanging Baskets/Tubs*

(4) *Best Kept Garden Hidden from the Road* (If you want to be considered for this category, please contact Margaret Abbott or another member of the Council in advance)
